

The Humble Potato

Inspiring and innovative solutions for the food industry

Senior Application Specialist Line Bach Christensen

LET'S TAKE FOOD FORWARD

IT'S ALL ABOUT THE POTATO

OUR RAW MATERIAL

- ◆ High yield per hectare
- ◆ Free from: allergens, gluten, lactose, GMO
- ◆ Plant-based versus animal based raw materials
- ◆ Untapped potentials in high value starches and side streams – proteins, fibers, etc.

Protein, minerals, cell residue
(approx. 6%)

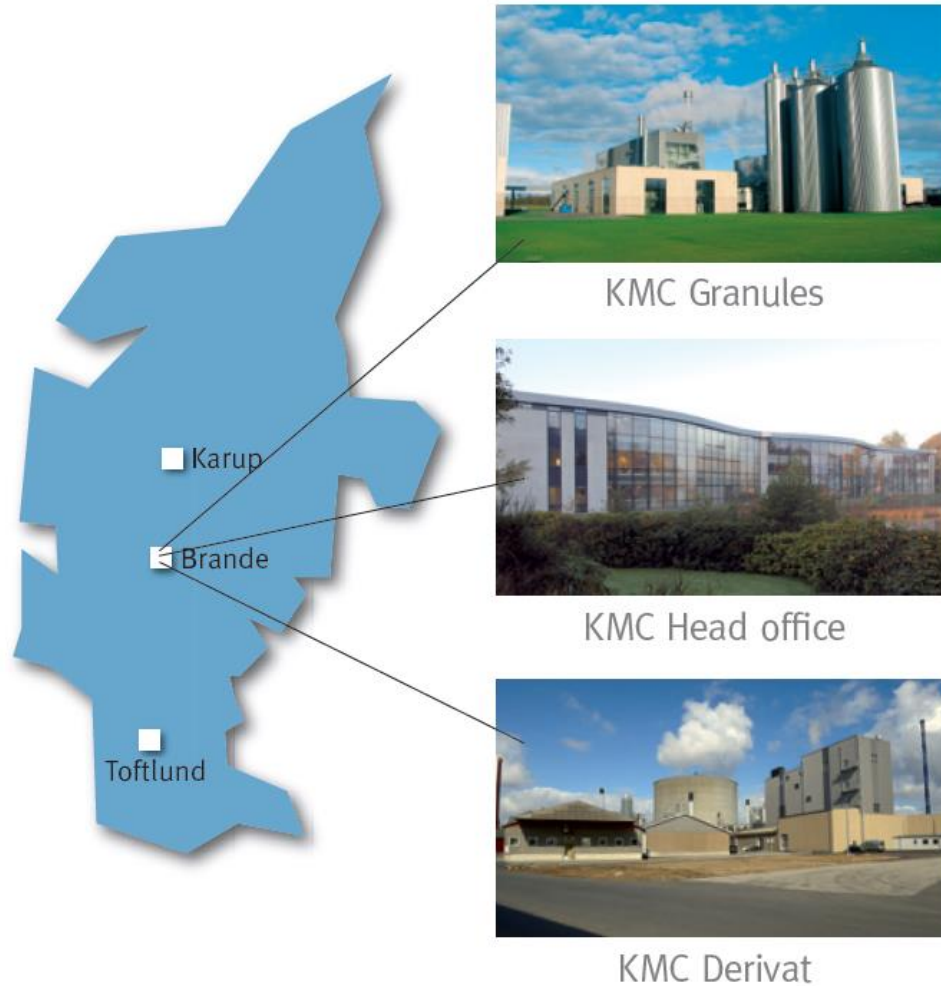

Starch (approx. 19%)

Water
(approx. 75%)
